

Work Health and Safety Requirements

Activity

Task: Identify areas where people need to be aware of Work, Health and Safety requirements. Follow the examples in the shaded boxes for ideas.

HOME	PUBLIC SPACE/S	USE OF EQUIPMENT
<u>EXAMPLE</u> Going up and going down the stairs. • <i>I could lose my balance and fall causing injury.</i>	<u>EXAMPLE</u> Road rules when driving the car or walking • <i>I could be hit by a car if I do not obey traffic lights and cross at official crossings.</i>	<u>EXAMPLE</u> Ironing clothes • <i>I could burn myself and burn and/or damage the clothes I am ironing.</i>
Add two or three examples in each column that relate to you.		

Work, health and safety is important because
