Recommended use: Food additive and / or as a cleaning product
Supplier details: Riviana Foods Pty. Ltd. Victoria Australia
08 9764 3622

2. Hazard identification

Hazard classification: Not a hazard
Risk: None
Safety: None

3. First Aid Measures

Description of necessary first aid measures

Inhalation
Prolonged breathing of fumes can cause irritation of airways
Remove to fresh air

Skin
May cause irritation with prolong contact
Flush immediately and thoroughly with water

Eye
Will cause eye irritation - stinging and reddening of eye
Flush immediately and thoroughly with water for at least 15 minutes

Ingestion
Not hazardous for drinking but a large amount water should be mixed with it to dilute

Medical attention If first aid is ineffective contact a physician

4. Accidental spillage

Emergency procedures Accidental spills can be contained or managed depending on the size of the spill.

Methods and materials for containment and clean up

For small spills
Mop up with a lot of water and allow to air dry

For large spills where there are no drains
Cover with an absorbent product such as sand. Once the sand absorbs the vinegar, remove the sand to waste. Mop floor with water and allow to air dry.

For large spills where there are drains
Water down vinegar with a lot of water and wash down the drain

5. Handling and storage

Care for safe handling none

Safe storage Store in cool, dry place out of light
Do not freeze

6. Personal protection

Personal protective equipment (PPE)

Latex gloves
Boots
Safety glasses
Wash soiled clothes before wearing again.
